Photo booth props printable templates

A great photo book with bright photo props will give you lasting memories of your dog's birthday party or puppy shower. Mom party trained her boyfriend to make this super cool photobud for her fur-kids first bruffday. She used die-cut bone shapes and a plastic table cover to create a background, and then gave pawty guests a selection of photobud props from the links below -- paws-down the best dog party photo pool I've seen! Treat your guests to a spectacular photo booth with our free photo booth props - and then stand close to capture these fun moments! Just click below on the photo box props you want, it opens the print PDF file. Print on a thick card with the highest quality print settings. Carefully cut out each prop with a scissors or blade and attach to a small wooden dowel or skewer with tape or hot glue. Let your guests go dog-gonne crazy with these paw-some photobud props!
